custom counter with storage

This uniquely crafted, U-shaped custom counter is as versatile as it is functional.

The counter features a significant storage area with shelving, and a locking mechanism to ensure your items are organized and secure. Use a wrap-a-round graphic, with options to cover top and sides, or a 3D logo to brand this counter and ensure it complements the rest of your event space. Highlight your brand colour or simply draw attention with downlighting from the counter base, available in your choice of colour at no additional cost. Available for purchase or rental, this is an ideal addition to any event or for permanent retail environments.

Overall Size: 57 3/4" w x 21 3/4" d x 39 3/4" h
